Nomination for 2026 – 2028 IMC Parent Manager Election

Dear parents/guardians,

The current term of Parent Manager will expire on 31st August 2026. I am deeply honoured to have been able to contribute to the school over the past two years.

The school is now required to conduct the election of the Parent Manager for the 2026–2028 term. Our Association sincerely invites parents of the school to participate in the election. All eligible parents of students currently enrolled in the school (as stipulated in Clause 15.3 of the Constitution) are eligible to stand as candidates for Parent Manager. All election arrangements will be conducted in accordance with the Constitution of the Parent-Teacher Association (which has been uploaded to the school website). Parents are most welcome to stand for election or to nominate candidates. The elected Parent Manager will assist in monitoring the development of the school and provide valuable advice.

Parents who wish to stand for election may nominate themselves by completing the nomination form and providing a personal profile of approximately 100–150 words (**punctuations not included**). The nomination must also be seconded by another parent of a student currently studying at the school.

All parents of students of the school (i.e. fathers and mothers), as well as guardians or persons who have actual care of the students (with documentary proof), are entitled to vote in the Parent Manager election, on the basis of one vote per household. Parents who receive **electronic notices** will be given access to voting via an eClass notice, while parents who receive paper notices will be issued a ballot paper, which should be returned to the school ballot box on the following day.
